Nail Head Trim

Nailhead trim is a technique that has been used by quality craftspeople for centuries, and though originally used to secure the fabric or leather, today it accents the design lines of your upholstered selection.

Harden offers 12 selections of nailhead trim:

- *Gilt Bright Brass (3/8")*
- *French Natural (3/8")*
- *Decorator (3/8")*
- *Antique (3/8")*
- *Stainless Steel (3/8")*
- *Small Rustic (3/8")*
- *Large Rustic (3/4")*
- *Hammered (1/2")*
- *Star Medallion (7/8")*
- *Large Chrome*
- *Turquoise (3/8")*
- *Diamond*

— **Nailhead trim is an option, except where listed otherwise.** Please confirm availability of this option prior to ordering — some frame construction precludes the use of nail trims.

— **Staggered placement —** All nailhead trim may be ordered with this styling — please specify when ordering.

Nail Head Trim on Carved Chair Frames

When carved frames standard with double welt are ordered in leather, Nail Head Trim and Single Welt replaces standard double welt.

The style of standard Nail Head Trim is determined by the finish selected and is as follows:

Antique Nail Head Trim	***French Natural Nail Head Trim***
Acorn Aged	All other finishes
Aged Chestnut	
Cognac	
Endicott	
Farmhouse	
Great Camps	
Nutmeg	
Old Tavern	
Plymouth	
Renaissance	
Sagamore	
Saranac	
Spring Creek	
Stafford	
Any hand-painted or Decorative finish	

***NOTE:** Nailheads are placed where deemed appropriate according to design of the upholstered piece. If a specific placement is desired, please include a drawing with your order.

Custom Spaced Diamond Nail Head on Leather Band

Multiple Sizes Nailhead Treatments

Outlined Back Detail Nailhead Treatments

Diamond Quilting

Combination Fabrics

To add an extra design flair to your seating, Harden offers a contrasting fabric option on all collections. You may specify throw pillows, multi-pillow backs, or even seat cushions in contrasting fabrics for a stylish statement.

Contrasting Welt

Where welt is standard, contrasting welt may be “special ordered” as follows: Fabric Welt on Fabric, Leather Welt on Fabric, or Leather Welt on Leather.

Decorator Trim

It’s all in the detail…and trims. Add an extra decorative touch with colorful fringe around throw pillows, replace standard welt with cording, or add a decorator banded skirt. Many plain and colored trims are available to coordinate beautifully with Harden’s nearly 1000 fabrics.

Quilting

For an extra touch of elegance, most fabrics can be outline or diamond quilted.

Arm Covers

Arm covers are provided where appropriate.

Finish

Exposed wood on upholstery can be finished in any of our standard finishes, as well as a wide assortment of standard paints and decorative paint selections. For more information, please refer to the Harden Finish brochure.
